

Lesson # 1: Solve and Draw - Algebra : Understanding Addition Relationships

<p>1.</p> $6 + \square = 8$	<p>2.</p> $3 + \square = 7$	<p>3.</p> $1 + \square = 5$
<p>2</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">hat</div> </div>	<p>4</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">hair</div> </div>	<p>6</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">eyes</div> </div>
<p>14</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">hat</div> </div>	<p>10</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">hair</div> </div>	<p>4</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">eyes</div> </div>
<p>4.</p> $0 + \square = 9$	<p>5.</p> $4 + \square = 11$	<p>6.</p> $\square + 2 = 5$
<p>90</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">nose</div> </div>	<p>7</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">mouth</div> </div>	<p>7</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">ears</div> </div>
<p>9</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">nose</div> </div>	<p>15</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">mouth</div> </div>	<p>3</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">ears</div> </div>
<p>7.</p> $\square + 6 = 7$	<p>8.</p> $\square + 3 = 8$	<p>9.</p> $8 + \square = 10$
<p>13</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">body</div> </div>	<p>5</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">arms</div> </div>	<p>2</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">name</div> <div style="margin-left: 20px;"><u>Al Gebra</u></div> </div>
<p>1</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">body</div> </div>	<p>11</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">arms</div> </div>	<p>18</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 2px; margin-right: 5px;">name</div> <div style="margin-left: 20px;"><u>Rec Tangle</u></div> </div>

Lesson 1

10.

$$5 + \square = 12$$

17

hat

7

hat

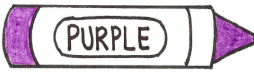

11.

$$9 + \square = 13$$

4

hair

22

hair

12.

$$\square + 1 = 10$$

11

eyes

9

eyes

13.

$$\square + 9 = 17$$

26

nose

8

nose

14.

$$7 + \square = 14$$

21

mouth

7

mouth

15.

$$4 + \square = 13$$

9

skin

17

skin

16.

$$\square + 9 = 18$$

9

ears

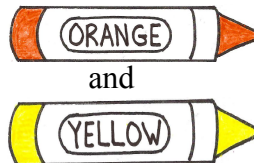

17.

$$6 + \square = 9$$

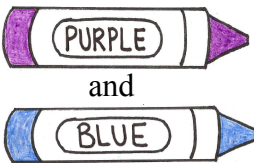

3

body

15

body

18.

$$12 + \square = 12$$

24

arms

0

arms
